Request for Proposals (RFP)
Owner's Representative Services for Construction Management of Bond Projects
Sheridan School District
May 2025 Bond Measure 3-624

I. Introduction

The Sheridan School District (District or SSD) is seeking proposals from qualified firms to provide Owner's Representative Project Management services for the management of bond and grant-funded construction projects. These projects are intended to modernize and renovate school facilities within the District. The selected firm will work closely with the District's leadership, the design team, and construction contractors to ensure that projects are completed on time, within budget, and in compliance with all applicable laws and regulations.

II. Background

The Sheridan School District recently earned the support of its community through the successful passage of a capital construction bond. This bond comes at a pivotal time, as Sheridan residents no longer carry a previous bond levy on their taxes following the expiration of the district's last bond in 2023. By securing voter approval, the district has also qualified for a \$6 million Oregon School Capital Improvement Matching (OSCIM) Grant from the state, bringing valuable additional resources to this effort.

Sheridan School District is committed to ensuring its schools are warm, safe, and dry learning environments for all students. Bond funds will be directed toward critical repairs, safety improvements, and modernized learning spaces at both Sheridan High School and Faulconer-Chapman School. The scope of the bond includes:

- **Facility Repairs & Upgrades:** This includes paving and expanding parking lots, roof replacements, removal of asbestos-containing materials, and upgrades to lighting and interior finishes.
- **Safety & Security Enhancements:** Projects will address aging security infrastructure by upgrading surveillance systems, improving paging and intercom systems, and creating a secure entry point at Sheridan High School.
- **Updated Learning & Community Spaces:** The bond will fund the renovation of the outdated science lab at Sheridan High School, complete renovation of the old gym and music rooms at Faulconer-Chapman School, and updates to multi-use spaces to support both educational programming and community emergency shelter needs.

The district seeks a qualified project management firm with experience in K-12 public construction to provide leadership, coordination, and oversight throughout the duration of this bond program. The selected partner will be instrumental in ensuring projects are completed on

time, within budget, and in alignment with the district's goals for safety, quality, and community impact.

A complete description of the project, requirements and specific conditions for the Request for Proposal (RFP) are available on Oregon Buys.

Sealed proposals will be submitted to Karen Daniels, Sheridan School District, Administration Office, 435 South Bridge Street, Sheridan, OR 97378, before 2:00 pm PDT, on July 14, 2025. Late proposals will not be accepted.

A MANDATORY Pre-Proposal Conference will be held at 10:00 a.m. PDT on June 16, 2025 at the Sheridan School District Office located at 435 South Bridge Street, Sheridan, OR 97378. A map for site visits will be provided at the beginning of the meeting.

All proposals shall be submitted as set forth in Section II – Proposal Process. Proposers are responsible for submitting proposals in the manner, format, and to the delivery point required by the District. Proposals will be submitted and will be inspected for basic documents submitted. No reading of the proposals will be conducted or announcement of specifics will be discussed.

Attention is called to the provisions of the Oregon Revised Statutes ("ORS"), Chapters 279, 279A, 279B, and 279C. The bidder must indicate if they are a resident bidder as defined in ORS 279A.120 and if the contractor and subcontractors are licensed under ORS 701.021 - 701.130.

Sheridan School District reserves the right to reject any or all proposals not in compliance with all prescribed public bidding procedures and requirements, and may reject for good cause any or all proposals upon a finding of the District if it is in the public interest to do so.
