

April 2021

Dear Sheridan Families,

The Sheridan School District Board of Directors approved the use of an “opt-in” process for state testing this spring. Parents who wish to have their child(ren) complete a state test will need to complete this form, **return it to the school office by April 30th**. If you have children who attend both schools, please submit it at the school most convenient for you.

Mr. Henderson, our district test coordinator, will make the arrangements for the in-person test. Please know that each assessment can take one to three hours to complete. The Oregon Department of Education has informed us that no individual student reports will be made available.

Thank you,

Dorie Vickery
Superintendent
