---

February 1, 2021

Dear Sheridan Community,

On behalf of the Smith family we would like to ask for your support. The Sheridan community has suffered a tragic loss of one of our students, Keegan Smith. This young man was a fierce athlete, known for his drive, passion and leadership. Keegan was more than a student athlete, he was an honorable young man whose bright spark and smile shall never be forgotten.

In response to this loss we have established the *Keegan Smith Memorial Fund*. The donations will provide financial support for the family and create a scholarship in Keegan's name. The first recipient of this scholarship will be selected by the Smith family from the graduating class of 2021.

Donations can be accepted in the form of checks or debit/credit cards. If submitting a check, please make it out to the Keegan Smith Memorial Fund #12/#3, c/o Sheridan School District, mailed to Sheridan School District, 435 S. Bridge Street, Sheridan, OR 97378. If you would like to donate using a debit/credit card, please go to the Sheridan High School office.

Sheridan School District is deeply impacted by this loss and our thoughts are with the Smith family during this difficult time. It is our hope that the *Keegan Smith Memorial Fund* will provide a substantial scholarship to one of our students, reflective of Keegan's determination, abilities and kindness.

With gratitude,

Jeremy Brown, FCS teacher/coach

Marta Hofenbredl, Special Programs Director

Dorie Vickery, Superintendent
