

Parents & Guardians,

We have been so excited to engage with your kids again! As part of our commitment to open honest conversations about distance learning and supporting you and your family, we want to provide you with some additional access and information so you can better connect with the adults at Faulconer-Chapman. Below you will see a chart with helpful links to access staff. Please keep this document in a place you can reference. **Please email the teacher directly to schedule a Zoom meeting if office hours don't fit your schedule. We want to meet with you on your schedule if possible. You can also access this document and all its hyperlinks at [bit.ly/fcsstafflinks](https://bit.ly/fcsstafflinks)**
