

## Sheridan 2025-2026 Scorecard

| Pillar              | Annual Goals                                                                                                                                                                    | <b>Status</b><br><i>Green = On Track</i><br><i>Yellow = Making Progress, but Not on Track</i><br><i>Red = Well Behind on Goal</i> |            |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------|------------|
|                     |                                                                                                                                                                                 | Semester 1                                                                                                                        | Semester 2 |
| Successful Students | 1. Increase the Student Experience Survey Question #15 (I feel students are nice or show respect to each other at my school.) from <b>2.52 to 2.72</b> on the fall 2026 survey. |                                                                                                                                   |            |
|                     | 2. Elementary and middle school students will have an average student growth percentile of 60% or more at the spring benchmark for math and reading.                            |                                                                                                                                   |            |
|                     | 3. Increase the passing rate of all grade levels at the high school.                                                                                                            |                                                                                                                                   |            |
|                     | 4. The graduation year cohort class of 2026 will graduate at 90%.                                                                                                               |                                                                                                                                   |            |
|                     | 5. Increase the Student Experience Survey Question #16 (I like going to my school each day.) from <b>2.74 to 2.94</b> on the fall 2026 survey.                                  |                                                                                                                                   |            |
| Invested Employees  | 1. Improve the overall Employee Experience Survey result from <b>3.63 to 3.78</b> on the fall 2026 survey results.                                                              |                                                                                                                                   |            |
|                     | 2. Increase the overall Employee Experience Survey participation from <b>83 to 93</b> on the fall 2026 survey results.                                                          |                                                                                                                                   |            |
|                     | 3. Improve the Employee Experience Survey question #4 (I receive appropriate recognition when I do good work.) from <b>3.21 to 3.41</b> on the spring 2026 survey results.      |                                                                                                                                   |            |
| Connected Community | 1. Recognize donors and business partnership (community or person) once a quarter.                                                                                              |                                                                                                                                   |            |
|                     | 2. Improve overall Parent/Caregiver Experience survey results from <b>3.69 to 3.84</b> on the spring 2026 survey results.                                                       |                                                                                                                                   |            |
|                     | 3. Form Bond Oversight Committee, provide community reports about the bond projects and fiscal management of bond funds.                                                        |                                                                                                                                   |            |
